RE:
Case Number 1130737R
Heleodoro Hernandez Martinez
Cynthia Denise Hernandez
Chapter 7 bankruptcy filed on February 4, 2011

To Whom It May Concern:

Mr. and Mrs. Hernandez have a hearing on March 21, 2011 for the following; Nature of proceedings Request for Subpoena Duces Tecum and to for summons to answer interrogatories as well as for the garnishment summons.

Mr. and Mrs. Hernandez only placed the amount of \$10,250.00 awarded against Mr. Hernandez but failed to place the amount of \$10,250.00 awarded against Mrs. Hernandez. I have attached a copy of the order for judgment issued by the Adams County Court in Colorado.

At this time I would also like to request the bankruptcy court to allow me the opportunity to place an objection against the discharge of the judgment awarded to me. This judgment was awarded to me after a three- day jury trial. This matter came for jury trial on June 14-16 2010, at which time the jury entered verdicts in favor of Plaintiff and against Defendants on Plaintiff's claims for abuse of process and malicious prosecution. Since this is intentional tort. I don't know what else needs to be done in order to prevent this judgment from being discharged. Please let me know if you require any additional information or documentation.

Sincerely,

Maria V. Pittman
